Proposed Revision of the District and Taluk Establishments.

Office Note.

I. DEPUTY COMMISSIONERS' ESTABLISHMENTS INCLUDING TREASURY.

The changes proposed are not many, nor is the net additional cost involved heavy as will be seen from the following remarks:—

2. *English Department.*—In each District there is an orderly on Rs. 6. It is proposed to raise his pay to Rs. 7. The increase involved is Rs. 8.

3. *Revenue Department.*—Likewise, in every district office, the Revenue Department has an orderly on Rs. 6. His pay should be raised to Rs. 7. In Bangalore and Mysore, the Dufterband gets Rs. 6, while in the other 6 districts, his present pay is Rs. 5, which should be raised to Rs. 6. The increase is Rs. 8 + 6 = 14.

4. *Treasury Department.*—In each of the Districts of Bangalore and Mysore, there are 3 Gollars, 3 Peons and 1 Mashalchi, total 7; while in Kolar there are 2 Gollars and 1 Peon. In the other 5 Districts, the only menial Establishment consists of Gollars, 3 in Shimoga and 2 in each of the others. The Establishment at Bangalore and Mysore needs no strengthening. Elsewhere it is proposed to raise the strength to 5, comprising 2 Gollars, 2 Peons and a Mashalchi one of these peons being called a Daffadar. It is also proposed to raise the pay of the Gollars from Rs. 6 to Rs. 7 and of the Mashalchis from Rs. 5 to 6 Rs. and to fix the pay of the Daffadar at Rs. 8 and that of the peon at Rs. 7. The total increase is Rs. 143 to which may be added Rs. 200, being the pay of 8 Magisterial Clerks, to be newly entertained, one for each District on Rs. 25. The Treasury Officer is, in every District, also a Magistrate. For his Magisterial work, he has no Establishment; but has either to depend upon such help as the Deputy Commissioner could give from the other Establishments under his charge, or to take away one of the most intelligent of the Treasury Officials. This state of affairs is most undesirable. Treasury work has become very heavy and demands the attention of the whole of the Establishment sanctioned therefor. Likewise, it is not fair that any other Department should be starved by the deputation of its officials for other duty. The entertainment of extra menials, and of a clerk asabove, will meet a long-felt want.

5. *Judicial Department.*—Each of the Districts has 2 orderlies whose pay is Rs. 6, which may be raised to Rs. 7. In Mysore, the Dufterband gets Rs. 10 while in the other Districts, his pay is only Rs. 5 which is proposed to be raised to Rs. 6. The increase is Rs. 23.

6. *Orderlies.*—Sweepers have already had their pay raised. The Jamadar gets Rs. 12 and the Daffadar Rs. 9. Their pay may be left alone. The pay of Gardeners in the Kolar District need not also be revised. There remain 109 persons, out of 137, whose pay is Rs. 7 and under and which may be raised by one rupee all round; the total increase involved being Rs. 109.

7. *Additional Establishment.*—Out of the Temporary grant sanctioned in April 1894, there are employed in the Bangalore District office 2 officials on Rs. 20 and 15 respectively; 3 in Chilaldrug on Rs. 13, 12 and 10 respectively; one in Hassan on Rs. 25 and 1 in each of the Districts of Kolar, Mysore and Shimoga on Rs. 20. In lieu of this Temporary Establishment, I would give each of the 8 Districts an additional clerk on Rs. 25. This and the withdrawal of officials, if any, lent to the Treasury Officer Magistrates and to extra Assistant Commissioners, will result in a substantial addition to the strength of the Deputy Commissioners' Establishments and enable the Temporary Establishment being done away with. The increase is 25×8=Rs. 200.

8. All the Departments under the Deputy Commissioners put together, the proposed increase to their Establishments, including the Treasury, is Rs. 698.

II.—ESTABLISHMENTS OF SUB-DIVISION OFFICERS AND ASSISTANT COMMISSIONERS.

9. *Sub-Division Officers.*—The French Rocks Sub-Division Officer has a much larger Establishment than the other Sub-Division Officers. Now that he has been given an Assistant Commissioner to do a portion of his work it is proposed to transfer to the latter a clerk, a peon and a lascar from the Sub-Division Establishment.

10. The Clerical Establishment of the Closepet Sub-Division Officer is insufficient and should be strengthened by the addition of a Clerk on Rs. 20.

11. It is proposed to raise the pay of each of the men on the menial establishment of all the Sub-Division Officers by one rupee, except that of the Muchi, Duffadar ~~and Mashalchi~~ attached to French Rocks who already get Rs. 10, 9 ~~and 5~~ respectively,

12. In the result, there will be an increase of Rs. 56 against a decrease of Rs. 39.

12. *Assistant Commissioners.*—In the General Assistant Commissioner's office at Tumkur and in the 3rd General Assistant Commissioner's office at Mysore, the Head and Deputy Munshees get 40 and 30 respectively instead of Rs. 50 and 35 as per the sanctioned scale. The amount thus saved has been given to an additional official on Rs. 15. Now that the number of Assistant Commissioners in every District has been raised with separate Establishments, there is no need for the retention of this additional hand. He should be otherwise provided for and the sanctioned scale restored.

13. In the 1st General Assistant's office at Mysore, there is an extra official on Rs. 25. He should be transferred to the 4th or extra Assistant given to the District.

14. In each of the existing Establishments, there is a peon on Rs. 6 and a Mashalchi on Rs. 5. Their pay should be raised by one Rupee each

15. The increase is Rs. 26 against a decrease of Rs. 25.

16. *Extra Assistant Commissioners.*—Formerly, the three more important Districts of Bangalore, Mysore and Shimoga had 2 General Assistant Commissioners each, while the other 5 Districts had only one each. The general increase of work throughout the Province, necessitated an additional Assistant Commissioner being attached to each of the 8 Districts in the Province. But no fixed permanent Establishment for these new Assistant Commissioners has as yet been sanctioned. In Bangalore there are two extra Establishments costing Rs. 55 and 60, respectively. In Mysore, there is one costing Rs. 48. A small temporary Establishment is also maintained in Tumkur, Kadur, Chitaldrug and Hassan, while in the remaining Districts, there is none at all. The extra or additional Assistant Commissioner attached to each District should have an adequate Establishment of his own, both clerical and menial, as, otherwise, he can do very little useful work. He has now to look up to his Deputy Commissioner who with some difficulty spares him a few men either from his own Establishment or from that of his other Assistants or from Taluks. This is an unsatisfactory state of things to remedy which applications have been received from several Districts. I propose the following establishment for each of the 9 extra or additional Assistants :—

		Rs.
1	Head Clerk, on	35
1	Clerk	25
1	Duffedar	8
2	Peons at 7	14
1	Lascar	7
1	Mashalchi	6
Total No. 7		Total Rs.... 95

The net increase is Rs. 547.

This is the lowest strength consistent with efficiency. The newly constituted Assistant Commissner's office at Saklespur being a temporary institution for which an adequate Temporary Establishment has already been sanctioned, I have not taken it into account in the present Revision of Establishments.

17. The net result is as shown below :—

		Increase. Rs.		Decrease. Rs.		Difference. Rs.
Sub-Divisions	...	51	—	39	=	+ 12
General Assistanat	...	26	—	25	=	+ 1
Extra Assistant	...	573	—	26	=	+ 547
Total	...	651	—	90	=	+ 561

Net Increase = Rs. 561

III.—TALUK AND SUB-TALUK ESTABLISHMENTS.

18. Taluks.—The present scale of establishment for each Taluk, exclusive of peons who will be separately dealt with, is as follows :—

			Rs.		Rs.
1 Shirestedar,	on ...	...	40	or	50
1 Head Gumasta	...	...	20		
1 Nagadi Gumasta	...	...	15		
1 Head Munshi	...	...	20		
1 Deputy Munshi	...	...	12		
1 Record Keeper	...	...	15		
1 Judicial Gumasta	...	...	15		
3 Revenue Gumastas at Rs. 15 each		...	45		
1 Shroff	...	...	15		
2 Gollars at Rs. 5 each	...	...	10		
2 Mashalachis on Rs. 5 each	...	...	10		
1 Sweeper	...	...	5		
Total No. 16			Amount Rs. 222	or	232

19. The scale has been somewhat deviated from in some Taluks, as shown below :—

Bangalore Taluk.—In this taluk, the head and Deputy Munshis get Rs. 25 and 20 respectively, and there are also 4 additional officials, *viz.*, 1 Revenue Gumasta on Rs. 15, 1 Judicial Gumasta on Rs. 15, 1 Assistant Shroff on Rs. 10 and 1 Mashalchi on Rs. 5.

Shimoga Taluk.—Has an additional Revenue Gumasta on Rs. 15 and an additional Judicial Gumasta on Rs. 15.

Manjarabad Taluk.—Has an additional Assistant Nagadi Gumasta on Rs. 10 and an Assistant Shroff on Rs. 7 (the latter being in lieu of Gollar on Rs. 5).

1. Nagamangala.
2. Malavalli.
3. Malur.
4. Arsekere.
5. Holi Narsipua.
6. Arkalgued.
7. Hiriyur.
8. Holalkere.
9. Mudigeri.
10. Goondalpet.
11. Nanjangud.
12. T. Narsipur.
13. Heggaddevankote.
14. Honnali.
15. Nagar.
16. Pavagada.
17. Jaglur.
18. Molakalmuru.

Of the Taluks named in the margin, numbers 1 to 9 inclusive have one Revenue Gumasta less; and numbers 10 to 18 inclusive have 2 officials less, viz., a Revenue Gumasta and a Deputy Munshi.

In Manjarabad, Belur and Arsikere, the Mashalchis get Rs. 6 each instead of Rs. 5.

20. There are now 15 Shirestedars in the first Class on Rs. 50 and 51 in the second Class on Rs 40. This classification is personal, and does not necessarily depend upon the relative importance of the Taluks in which the Shirestedars are employed.

21. In every Taluk, there has of late been an enormous increase of work in nearly every Department. There is therefore no doubt that the Establishment requires strengthening. The salaries of the Taluk officials were fixed at a time when the cost of living was much cheaper than it is at present. They do not go far enough in these days and have consequently to be raised. The lot of most of our Taluk officials is anything but enviable. The start seems all right, but it is the subsequent stagnation that forms the subject of a bitter complaint. In devising a remedy, therefore, regard must be had to the fact that long and tedious waiting for promotion should be avoided by holding out prospects of betterment at short intervals as an incentive for good and honest work. In other words, a system of periodical increments should be adopted. The idea is to make the Taluk service such as to enable a man entering it on the lowest prescribed salary, namely, Rs. 10, rise by hard and honest work to the highest place available on the Establishment, viz., to the post of Shirestedar on Rs. 50. As the scale of salaries now stands, this is almost wholly out of question. The difference between the Shirestedar's minimum pay (Rs. 40) and the pay (Rs. 20) of the next man viz., Head Gumasta, or Head Munshi, is so great that it goes without saying that the appointment of Shirestedar is one to which the next man cannot possibly aspire. Young men from one of the offices at the District Head Quarters, are generally selected and sent out as Taluk Shirestedars, This is hard on deserving Taluk officials whose grievances demand an early sympathetic consideration at the hands of Government. In order therefore to make the Shirestedari attainable by the next man on the Taluk establishment, I propose to raise the pay of the latter to Rs. 30, so that the promotion from Rs. 30 to Rs. 40 and on to Rs. 50 may not be considered too high a jump. Shirestedars should as a rule be chosen from among experienced Taluk officials who in their turn should be replaced by young men possessing good educational and other qualifications.

22. The Head Gumasta has more important and responsible duties to perform than the Head Munshi. His pay should therefore be slightly higher than that of the Head-Munshi. The pay of Rs. 30 proposed for him does not seem too much.

23. Under present arrangements, the Shirestedar's duties are limited to Treasury and Accounts. He is nowhere a Magistrate and I belive he is shortly to be relieved of Registration work. Nor has he anything to do with the Police or any other Special Department. Such being the case, it seems to me that Rs. 50 is a good enough pay for him and need not be increased. What seems really required is the creation of facilities for enabling a man on Rs. 40 to reach Rs. 50 within a reasonable time. I would accordingly abolish the distinction of classes and fix the pay of all Shirestedars at Rs. 40 rising after approved service to Rs. 50 by two equal triennial increments of Rs. 5 each.

24. I would divide the Taluks into 3 classes (*vide* statement VII appended). Of the 66 Taluks in the Province, 15 may be placed in the first class, 20 in the second and the remaining 31 in the third. This classification has been settled in consultation with our Deputy Commissioners and with due regard to actual requirements. The 1st class taluks should have a slightly larger Establishment than those of the second, which in their turn should be slightly better than those of the third.

25. The present and proposed Establishments for a first class Taluk are as shown below:—

Designation of officials.	Present.		Proposed.		
	No.	Pay.	No.	Pay.	
				Minimum.	Maximum.
		Rs.		Rs.	Rs.
Shirestedar	1	40or50	1	40	50
Head Gumasta	1	20	1	25	30

Dafterbund	...	...	1	8	8
Total ...	16	222 or 232	20	274	341

26. A second class Taluk will have one Gumasta less, while a third class Taluk will have one Gumasta and one Assistant Gumasta less.

27. The result will be as follows:—

		Rs.		Rs.	Rs.		Rs.
15	First Class Taluks	at 274	rising to	341	=4,110	rising to	5,115
20	Second do	at 259	„	321	=5,180	„	6,420
31	Third do	at 249	„	309	=7,719	„	9,579
			Total ...		17,009	rising to	21,114
			Deduct present cost ...		14,546		14,546
			Net additional cost ...		2,463		6,568

28. *Peons.*—Including the peons attached to the Sub-Taluks, there are now 584 peons on Rs. 6 each, 986 on Rs. 5 each and 2 on Rs. 4 each. They may all be given an increase of one rupee each, except the last mentioned two who may be given Rs. 2 each. The total increase will be Rs. 1,574 per mensem. For the present, it seems unnecessary to raise the pay of persons getting Rs. 7 and upwards.

29. *Sheikdars.*—These Officials are distributed as follows:—

	1st Class	2nd Class	3rd Class	Total.
Bangalore ...	13	23	39	75
Kolar ...	19	44	...	63
Tumkur ...	15	22	29	66
Shimoga ...	13	22	9	44
Kadur ...	21	5	6	32
Chitaldrug ...	7	21	3	31
Mysore ...	21	44	35	100
Hassan ...	15	30	2	47
Total ...	124	211	123	458

30. These are responsible officials corresponding to the Revenue Inspectors of the Madras Presidency. Their present salaries are by no means commensurate with the importance of their position. Several years ago, the abolition of the last class carrying a salary of Rs. 10 was promised by Government. In the Kolar District, that class has ceased to exist. In the Shimoga, Kadur, Chitaldrug and Hassan Districts, the numbers in this Class are very small, while in the Bangalore, Tumkur and Mysore Districts they are considerable. The sooner this class is done away with the better. This means an increase of Rs. 5 to each of the 123 Sheikdars of the 3rd Class, or a total increase of Rs. 615. There would then be 124 men in the 1st Class on Rs. 20 and 334 in the 2nd Class on Rs. 15.

31. I would not attempt any further revision of the salaries of Sheikdars at present. There is reason to believe that in a few places, the Sheikdars' charges are inconveniently large while in many others, they are much too small. A proper re-adjustment of these charges seems absolutely necessary and should in my opinion be undertaken as early as practicable. Such re-adjustment is likely to result in a material reduction in the number of Hoblies. After this is settled, the improvement, in the position and prospects of sheikdars, may be taken into consideration. I am inclined to think that such improvement would not involve any additional cost, but could be easily effected out of the savings accruing from the anticipated decrease in the number of sheikdars.

32. Each Sheikdar is allowed a couple of peons out of the Orderlies on the Taluk Establishment. From some quarters complaints have been received regarding the inadequacy of the Taluk Orderly Establishments. I have, however, proposed no immediate remedy, as I anticipate an appreciable diminution in the number of Sheikdars and the consequent reversion of several of the Hobli Peons to the Taluk Cutcherry. This matter may be reconsidered if necessary after the resettlement of the Sheikdar's charges.

33. *Sub-Taluks.*—There are 12 Deputy Amildars of whom the one at Seringapatam ~~seems to have~~ no separate Establishment. The Establishment allowed to the others is very small, and does not enable them to cope satisfactorily with their work. Each Deputy Amildar has been given 3 peons who are included in the number mentioned in para 28 *Supra*. The rest of the Establishment costs from Rs. 35 to Rs. 58. I would divide the Sub-Taluks into two Classess according to their importance and give them the following Establishment :—

I Class 4. *Sub-Taluks.*—

		Rs.		Rs.
1.	Head Gumasta on Rs. 20 rising to 25 ...	20	rising to	25
2.	Gumastas on Rs. 15—20 ...	30	„	40
1.	Assistant Gumasta and Record-keeper Rs. 12—15 ...	12	„	15
1.	Sweeper at 5 ...	5	„	5
3.	Additional peons 1 on Rs 7 and 2 at 6 each ...	19	„	19
Total No. 8		Cost Rs. 86	rising to	104

II Class 8. *Sub-Taluks.*—

Same establishment as above with 1 Gumasta and 1 peon less.

Total No. 6		cost ...	Rs. 65	rising to Rs	78
Result	I Class Sub-Taluks	cost ...	344	rising to	416
	II Do	... ...	520	rising to	624
		Total Rs.	864	—	1040
Deduct present cost including increase of pay recently given to Sweepers		... ...	459	—	459
		Net Increase Rs	405	—	581

34. In all, the extra cost would be as shown below :—

		Rs.		Rs.
(a)	Clerical and Treasury Establishment of Taluks cost	2,463	rising to	6,568
(b)	Peons in Taluks and Sub-Taluks ...	1,574	do	1,574
(c)	Sheikdars	615	do	615
(d)	Sub-taluks Establishments	405	do	581
	Total cost Rs.	5,057	do	9,338

35. The increments provided for above, may be given to the present men as follows:—

(1) Shiristedars who have been on Rs. 40 for 3 years and upwards to get Rs. 45 at once.

(2) Other Shiristedars to get Rs. 45 as soon as they complete 3 years' service as such.

(3) Head Gumasta to be given Rs. 25 at once and to rise to Rs. 30 by annual increments of one rupee each.

(4) Other officials to be given one increment for every year of service already rendered in their present posts, the maximum number of increments to be thus given being three, and then to reach the maximum fixed, by an annual increment of one rupee.

36. The requirements of the several Taluks placed in each of the 3 Groups are not the same everywhere. While in some, it is the Judicial Gumasta that is over-worked, in others relief is most needed either by the Shroff or the Nagadi Gumasta, or the Munshi Branch, or the Account Branch. I have not therefore nominated the additional hands to any particular Branch but have proposed to leave it to the Amildars concerned to utilize their services in such manner as the state of the business in their Taluks may render necessary.

37. The complaint is universal that the Record keeper, single-handed, is unable to do his work in anything like a satisfactory manner. To him I have proposed to attach a Dafterbund in every Taluk.

38. In a few Taluks there may be more pressing necessity for an Assistant Shroff than for an Assistant Gumasta. The former may be entertained in such places in lieu of, and on the pay provided for, the latter.

39. In 18 Taluks out of the 66, (*Vide* para 19) the present full sanctioned scale will be restored. This would give two additional men to 9 Taluks and one to the other 9, over and above the extra men who will be given them under the revised scale in common with the rest of the Taluks.

40. Low-paid men in the Malnad and semi-malnad tracts deserve special consideration. A monthly allowance of one rupee in the former and half a rupee in the latter, may be given to those in receipt of Rs. 9 and under.

41. The Deputy Commissioner of Shimoga has made some special proposals as regards the strengthening of the Sayer Establishment. These proposals cannot, in the absence of further information, be conveniently dealt with in connection with the present scheme. They may form the subject of a separate reference with a Proposition statement. Likewise, the Maramat Establishment, both clerical and executive, which certain Deputy Commissioners have asked for, may be reserved for future consideration.

42. *Conclusion.*—In making the several proposals formulated above, I have tried to be as economical as possible and to avoid erring on the side of extravagance. The financial effect is as exhibited below:—

		Rs.		Rs.
District offices and Treasuries ...	Increase	698	rising to	698
Sub-Division offices and those of Assistant Commissioners including Extra Assistant Commissioners	„	563	„	563
Taluks and Sub-Taluks	„	5,057	„	9,338
Grand Total ...		6,320	„	10,601
For Twelve months		75,840	„	1,27,212
Deduct cost of Temporary Establishment which must of course be dispensed with in giving effect to the Revision,	„	11,880	„	11,880
Net increase ...		63,960	„	1,15,332

43. The immediate increase would only be a little over three fourths of a Lakh and the maximum increase would not amount to much over a Lakh. In the case of new appointments or new promotions, the maximum will not be reached before the expiry of several years. Thus, the average annual increase may safely be put down as the minimum *plus* half the difference between it and the maximum, *viz*, Rs. 63,960+25,686=89,646. This is considerably smaller than the additional cost which I thought the Revision of the District and Taluk Establishments might necessitate. I submit that the Revision as recommended above is very fair and may be sanctioned at once without waiting for a general Revision of the Establishments of all the multifarious Departments of which the Administration now consists. In fact, the Head of each Department is too keenly alive to the interests of his own Department to allow any opportunity to slip by of having the needful done, to the men belonging to that Department. We have revised and strengthened and improved the Establishments of several Departments, but the Revenue Department *i. e.*, the District and Taluk Establishments still remain where they were more than 30 years ago and can no longer be overlooked. What is here proposed may, it is hoped, go some way towards the amelioration of the condition and prospects of the officials and servants of this important branch of the Administration.

Proceedings of the Chief Commissioner of Mysore in the Revenue Department, (General), dated 13th October 1879.

Read:—

Letter from the Commissioner, Ashtagram Division, No. 332-112, dated the 30th September 1879

No. 3627-39 / Mis 298 dated Bangalore, 13th October 1879.

Orders thereon:— In the above letter the Commissioner reports on the results of the revision of the Division, District and Taluk Establishments in the Ashtagram Division, made by him in accordance with the orders conveyed in the Chief Commissioner's Proceedings No. 1069 / R 218, dated the 24th June 1879.

2. In the Division, the Judicial Establishment required for the District and

from 411 to 304 and the menials from 292 to 195. The saving amounts to ~ Rupees 4,155 per months or Rs. 49,860 per annum.

6. The statement does not include the Abkari Establishment of the two Districk, the Shekdars, Talukpeons, and Traveller's Bungalow Establishments, as well as the small separate Establishments kept in the District Office for Municipal, Local Fund and Registration work. These have not been brought under the revision; but some of them may require to be hereafter separately considered.

7. The Establishment attached to the Town Magistrate at Mysore for the payment of certain special classes of Civil pensions, as noted in the margin, has been allowed

1 Head Clerk on	Rs 60	
1 Record-keeper "	" 30	
1 Munshi "	" 15	
1 Shroff "	" 10	
2 Collars at Rs 7 each	14

Total . .	Rs 134	

to remain for the present. As the number of pensioners who are paid through this Office has fallen off considerably, since the first creation of the Office, it may be expedient to make other arrangements in the matter at an early date. Meanwhile, as a smaller establishment ought to suffice for the work now devolving on the office, the Head Clerk on Rs. 60 per month should be at once dispensed with, the present incumbent being otherwise provided for.

8. The Subordinate Judge's Court at Mysore has been placed on the same footing as that of Bangalore, and that of Hassan on the ordinary scale of other Districk, causing an increase of Rs 10 and Rs 67 per mensem respectively. The Establishments of the Munsiff's Court and of the Town Magistrate at Mysore remain unchanged.

9. Considering that the superfluous officials

absorbed in two, instead of in three Districts as in the Nundydroog Division, the results attained must, on the whole, be considered satisfactory.

10. Sixty-four superior Officials are recommended for pension on account of the reduction. The amount of pensions which will have to be granted is estimated at Rupees 1,096 per month, thus absorbing for the present about one-fourth of the saving effected by the reduction.

11. A few of these cases require further Explanation. The two Taluk Sheristadars named in the margin, complain that they will not be able to secure a half-pension. Their retention must depend upon their usefulness and previous good character. Surnarappa is entitled to some consideration as

1 Venkatramanaiya, Sheristadar of the Gundlupet Taluk.

2. Surnaranappah, sheristadar of the Heggaddevankote Taluk

in the Province. The petition of Mr. Hasan Alli, Sayer Daroga, wishing to be retained in the service, has already been forwarded for report. Any promotions made to Taluk Sheristadarships should be held in abeyance till the cases of these men are disposed of.

12. The three persons noted in the margin are comparatively young in age, and holds small appointments. It will be undesirable to add them to the pension list unless they are disqualified or are otherwise unfit for service.

1. Krishna Iyengar, Revenue Gumasta in the Ashtagram Taluk, age 40 years, Rs 15.
2. Subba Row, Shekdar of Harnahalli in the Periyapatna Taluk age 40 years, Rs 15.
3. Lokachar, Judicial Gumasta in the Talkad Taluk, age 36 years, Rs 15.

13. Mahomed Ali Khan, Peshkar of the Manjarabad Taluk, wants only a few months to entitle him to half-pension. Special arrangements may be made to retain him for the required period if the nature of his

consideration.

14. Fifteen Superior Officials and Seventeen menials are recommended for gratuity. Those noted in the margin having some lengths of service, the reasons for dispensing with them should be stated. Amongst the menials, Lenga, now in the Kakkeri Sub Division Assistant Commissioner's Office, is only 40 years old. If not physically disqualified for work, he should be provided for otherwise.

1. Krishnaswamy Modaliar, Naib Sheristadar, 1st Assistant Commissioner's Court.
2. Gundappa, Shekdar of Rangasamudra Hobli, Talkad Taluk.
3. Nizamuddin, Shekadar of Srbbihalli, Ashtagram Taluk.
4. Gulam Mahomed, Shekadar of Heggadevankote.
5. Rama Row, Shekadar of Dudda, Mandya Taluk.

15. The reductions necessarily led to some of the officials being placed on slightly lower pay than they were formerly drawing, but this has been unavoidable under the circumstances. Where the men possess long service and the loss of pay is considerable, an early opportunity should be taken to replace them in their former position as regards pay. In this connection the cases of the men noted in the margin seem to deserve the consideration of the respective Deputy Commissioners.

Ranjmudia, Deputy Munshi, Sub-Judge's Court, Hassan District.
Narasimhachar, Deputy Accountant, Mysore District.
Gulam Dastagir, late Peishkar of the Chamarajnagar Taluk.

16. Personal allowances are recommended for the six officials noted in the margin to make up for loss of pay. The Chief Commissioner objects to the grant of personal allowances in cases in which the officials could be appointed to other posts of

1. Mr. J. G. North, the Manager, Division Commissioner's Office, Rupees 50.
2. Subbaiya, Lake Head Accountant, Division Commissioner's Office, Rs 50.
3. Subrao Iyer, Late Judicial Sheristadar, Division Commissioners Office, Rs 50
4. Mr. D'Vaz, Head Clerk, Mysore District Office, Rs 40.
5. Annasam Nainar, Treasurer, Mysore District Rs 50.
6. Mr. Eames, Head Clerk Hassan District Office, Rs 20.

equal salary. Mr. Norton may be allowed a personal allowance of Rs 50 till he is provided with a 1st Class Amildar-
ship or other equal appointment. Messrs. D'Vaz and Eames may be allowed personal allowances as noted in the margin as a temporary measure.

2.	Mr. D'Vaz, Rs 40
3.	" Eames Rs 20
4.	

Subbarao Iyer, Judicial Sheristadar, it is observed, was confirmed in his present appointment only in July 1878. He may continue to draw his present pay of Rs 200 pending a reference which will be made to the Judicial Commissioner.

With regard to the Treasurer Annasamy Nayanar, as money security will be hereafter required for the office, the Commissioner should report whether he is capable of furnishing it, and whether, in the event of his not being able to do so, he may not be pensioned and arrangements thereby made for providing for Lakshman Rao' Judicial Sheristadar of the Kaira District. The Commissioner of the Kaira Division will be asked to appoint Subbaraya to the Revenue Sheristadarship of the Chikaldrug District which is vacant, and this might make provision for the Civil Pension Head Clerk who has been ordered to be dispensed with.

17. Of the three other* officials who are entered in the list as remaining to be provided for, the claims of Seshaiengar who possesses long service should receive the earliest consideration. The

*
1. Seshaiengar, Record Keeper, Revenue Department, Division Commissioner's Office.
2. Mr. A. Staggs, Assistant Record Keeper, English Department, Division Commissioner's Office.
3. Mustafa Alli Khan, Assistant Record Keeper Division Commissioner's Office.

Commissioner of the Nagar Division will be asked whether there will be any opening in his Division for any few of the English Clerks or others on small pay who have been thrown out in the revision in Achtagram.

18. The above arrangements which have already been partially brought into force, will come into full effect from the 1st October. Special sanction should be obtained for the pay of any officials who may be unavoidably retained in service beyond the above date in excess of the sanctioned strength.

19. It is only necessary to add that as no lists have been sent for the Subordinate Judges, Town Magistrates and Munsiffs Courts, the officials in which Establishments appear to have also been pensioned and transferred on account of the reduction, the statements submitted do not in every instance clearly show how the men have been disposed of.

20. In conclusion, the Chief Commissioner desires to convey his acknowledgments to Colonel Hay for the satisfactory completion of this work which was attended with special difficulties in the Achtagram Division.

From

To, The Chief Secretary to the
Govt of Mysore

Sir, I have the honor to submit herewith a copy of 3d General Assistant Commissioners letter No 24/305 dated 27 July 1889

An establishment is certainly required for the Assistant Commissioner as he has besides Magisterial work, Jamabandi & other Revenue work to perform.

At present I have made up a scratch establishment for

him out of my own Dist. Amraoti
Rao's office, but this renders
my own office very short handed.

I would therefore beg that
the establishment given in the
Nagpur may be kindly sanctioned
either as a separate Assistant
Commissioner's office or to strengthen
the District office as may be
thought fit.

Sir

I have the honour to bring to your notice that although it is now a little over four months since I was asked to take up Criminal work of the District in addition to the Muz-rajy I have neither been provided with a suitable establishment nor proper accomodation for holding my Court.

From the Quarterly Criminal Returns submitted to you you will be able to see the amount of work I have to get thro' & the inconvenience and difficulty I must invariably feel for want of an establishment.

The only official who has been keeping the Several Registers and correspondence belonging to my Court is my Muzrayi Head Munshi Subba Rau in addition to his own work which is daily increasing.

3 The preparation of copies of Proc: in cases committed to Sessions as well as of Calendars in cases disposed of is very much delayed and I am obliged in Consequence to indent upon the Services of Some School boys to whom everything has to be dictated and payment promised beforehand—

4 I need not tell you that the work in this Court is already heavy and it is time enough that I should be provided with an establishment Similar to the one Sanctioned to other Apptt: Commissioners. The establishment of the 2nd Cl. Apptt: Commissioner's Court would seem to consist of—

one Head Munshi.
one deputy do —
Two ordinary do —
one Daffedar —
Three Peons —
One Lascar
One Sweeper at a total monthly cost of ~~Rs~~ 175/

5. I have not even a single peon to keep up my prestige & the one peon that was lent to me under your orders by the Town Magistrate is about to be to be taken away.

6 Under these circumstances I— Solicit the favour of your moving the Government to provide me at an early date with an Establishment and accomodation for my Court.

Sir,

I have the honor to state that in the General Assistant Commissioner's Office there are 3 hands, namely a Head Munshi on Rupees 60, a Deputy Munshi on Rupees 35 and an Accountant on Rupees 25. Mr: Ramachendra Row the Officer now in charge represented that the number was insufficient and wanted a hand to be sent from the District Office. He was informed that it was not possible to do so and requested to try and manage with the Establishment sanctioned by Government. But he reports that it is really impossible to do

to so reverse the scale of his Establishment as to provide an additional hand without exceeding the amount sanctioned. He proposes to have in lieu of the present Establishment a Head Munshi on Rs: 40, a Deputy Munshi on Rs: 30, a third Munshi on Rs: 25 and a fourth Munshi on Rs: 15. As the cost of the present and proposed Establishments will be the same, I beg to recommend the proposal for sanction.

By this arrangement the present Head Munshi and Deputy Munshi will lose 10 and 5 Rupees respectively. Every endeavour will be made to give them back their present pay as vacancies occur, but till then I solicit that they may be allowed a personal allowance of 10 and 5 Rs: as respectively.

2. The General Assistant Commissioner's letter No: 68 of the 29th Ultimo is herewith submitted in original to be obligingly returned when no longer required.

2. The proposals with a slight modification are sanctioned as shewn

Deputy Commrs Office
RAJYA MYSORE
Shimoga 24th December
1894

To

The Chief Secretary to the
Dewan of Mysore

Sir,

With reference to para
3 of the Government Notification
No. 9060/2132 of the 4th Instant
posting to this District
Mr. R. B. Plummer 4th class
Assistant Commissioner
Schedule A, I have the
honour to state that this office
will, on his arrival, be
put in charge of the 2nd Grade
Assistant Commissioner's
Court which is now presided
over by Mr. Rythna Assistant
Commissioner Mr. Ramachandra
Rao, who has the additional
duties of the Treasury,

and Municipal Departments to perform.

2. The Criminal work of this District which is heavy is now distributed to the First, Second and third Assistant Commissioners' Courts. The 2nd Assistant Commissioner i.e. the Treasury Assistant Magistrates' Court has no establishment whatever for the conduct of not only the criminal work, but also the Revenue work referred to him from time to time. The work has however been hitherto managed with difficulty by utilizing the services of an official of this and that Department to the detriment of the work of that Department. The want of a separate establishment for the Court to be presided over by Mr. O'Donnell

3. You will observe from the Proceedings No. 9207-6 of 586 the 24th February 1890 that in the case of the similarly circumstanced 2nd General Assistant Commissioner's Court in the Mysore District, the Government were, on the recommendation of the Deputy Commissioner of that District, pleased to sanction the entertainment, at a monthly cost of Rs 150, of a permanent establishment as hereunder

1 Head Munshi on Rs 50 a month
1 Dy Munshi on Rs 25
1 Accountant on Rs 25
1 Daffedar on Rs 6—
1 Taseeldar on Rs 7 —
2 Peons at Rs 7 each — 14
1 Peon on Rs 6 —
1 Mussalchi on Rs 5
150.

4. The 2nd General Assistant Commissioner's Court in

full complement of the marginally noted scale of establishment allowed to a General Assistant Commissioner as per Govt. Proceedings No. 579 of the 19th May 1879. The monthly cost of the present establishment of this Court is only Rs. 90 and consists of one Head Munshi on Rs. 35, and one Deputy Munshi on Rs. 25; three Peons at 6 Rs. each; one Lascar on Rs. 7 and 1 Nassalchi at Rs. 5.

1 Head Munshi	Rs. 50
1 Dy Munshi	Rs. 35
13 Munshi	Rs. 25
1 Accountant	Rs. 25
1 Waffedar	— 8
2 Peons on Rs. 7 each	— 14
1 Ditto	— 6
1 Lascar	— 7
1 Nassalchi	— 5
Total	175

5. The first General Assistant Commissioner's establishment is also less than the above authorized scale by Rs. 25, one of his 4 Munshis having been taken away and added to the establishment of the District Police Office

in January 1881. Another of his remaining 3 Munshis has, under an arrangement made by one of my predecessors, been employed in the Revenue Department of the District Office, to cope with the heavy work of the registry of the daily papers. The said First General Assistant Commissioner who has larger share of the criminal and Revenue work has therefore been complaining of the insufficiency of the clerical hands. The First General Assistant Commissioner of the Tumkur District has been allowed four Munshis on the representation of the Deputy Commissioner of that District as will be seen from the Government Proceedings No. 12882-3 of

the 13th February 1892.

6. It is scarcely necessary to add that the ever increasing work precludes me from sparing any hand out of the District Office establishment. I am therefore compelled to urge the absolute necessity of a separate establishment for the said Assistant Commissioner's Office and Court. I would not at present advocate the entertainment of the full complement allowed to the 2d. General Assistant Commissioner Lucknow Dt. costing Rs. 150 per mensem. To meet the present urgent wants, I would only ask for an establishment as shewn below:-

1 Head Munshi on Rs. 20
1 Dy Munshi on Rs. 20
1 Peon on Rs. ——— 7
2 Peons on Rs. 6 each 12
1 Sarcar ——— 7
1 Mussalchi on Rs. ——— 5

It will be seen that this is only a little over half the cost of the above establishment in Lucknow.

If, after a sufficient trial, the proposed strength should prove inadequate, the question of increasing the same to the requisite extent will be duly considered.

7. I would therefore request that you will be good enough to obtain the sanction of the Government to the above proposal as early as practicable.

I have the honor to be

Has the honor to solicit the favor of early orders on the proposition submitted in this office letter No 567 of 24th December last (439) for the establishment for the 3d Assistant Commissioner's Court.

2. One of the Revenue Accountants has, pending the Government Sanction to the new establishment, been placed under Mr. Plumer, the 3d Assistant Commissioner. The temporary loss of the services of this hand has occasioned much inconvenience in the despatch of work in the Revenue Department. As this is the busiest season of the year, and as the period of preparing the annual accounts is drawing near, early sanction to the proposition is solicited.

To

The Chief Secretary to the

Sir,

With reference to para 3 of the Government notification No. 9060/2132 of the 4th Instant, posting to this District Mr. R. B. Plummer, 4th Class Assistant Commissioner, Schedule A, I have the honor to state that this Officer will, on his arrival, be put in charge of the 3rd General Assistant Commissioner's Court which is now presided over by the Captain

Assistant Commissioner
Mr. Ramachander Row who
has the additional duties
of the Treasury, Jail, Regis-

Municipal Departments
to perform.

2. The Criminal work of
this District which is heavy

First, Second and third

of the work of that Department.
The want of a separate
establishment for the Court
to be presided over by the
Criminal hereafter is thus
evident.

3. You will observe from
the Proceedings No. 920 (4) - 8 / 586
of the 24th February 1890
that in the case of the similarly
circumstanced 3d General

Scale of establishment allowed to a General Assistant Commr as per Government Proceedings No. 579 (1) of the 19th May 1879. 5. The first General Asst Commissioner's establishment is also less than the above authorized scale by Rs. 25, one of his 4 Munshis having been taken away and added to the establishment of the District Police Office

in January 1881. Another
of his remaining 3 Munshis

present advocate the
entertainment of the full

Sir.

I have the honor to report to you that last month my Judicial Munshi was granted one months previlege leave and one Sooba Rao 3rd Judicial Munshi District Office deputed to this office to work for him. As my Judicial Munshis time of leave is nearly expired I wish to make the following representation to you before he is taken back to this office.

Firstly he is absolutely ignorant of

of all judicial work even the most ordinary.

Secondly - he is absolutely incompitant to act as translator or interpreter having neither intelligence nor knowledge sufficient for that work -

Thirdly - he is not a sharp man nor quick to learn and understand and there is no probability of his ever being suited to me in any way -

Under these circumstances I have the honor to request that he may be given some other appointment.

Further I beg to state that the acting man Sooba Rao 3rd Judicial Munshi district office is in every way the man I want, hard working, intelligent, with a thorough knowledge of judicial Clerks' work and showing a readiness to pick up translator's work which does him great credit -

I like him and he suits me and I therefore have the honor to most strongly urge that he be allowed to continue to work under me as judicial Munshi and another man appointed to do the work of the 3rd judicial Munshi for which being purely clerical a man could more easily be found than for the post of judicial Munshi to myself necessitating as it does considerable knowledge of English, readiness of understanding, ability to deal with witnesses, honesty to translate correctly -

Further I have the honor to represent to you that though posted as 3rd General Assistant Commissioner I have as yet no clerical revenue staff whatever and am all to be of absolutely no assistance in the Revenue work of the District in consequence, In fact having no clerical or menial establishment of my own I am tied to Head Quarters where my sole work consists of judicial Criminal work and Excise routine - work, both heavy but not revenue work which I wish now to take up having had over two years of Treasury and Criminal work at Head Quarters. However my judicial work alone now gives the one clerk more work to do than can fairly be expected from him, the labour of standing all day in court, of writing up all the various registers, issuing the processes, getting bail bonds and recognizances, checking copies of depositions and judgements and writing copies of judgements -

5

to be sent with the Calendars being very great especially as the number of cases on the file of this court is already fairly heavy, I would therefore most urgently beg the favour of Government being moved to sanction at any early date the establishment proposed in your office letter No. A-567-439 of Decembr 24th which I believe is on the same scale as the establishment granted to the 3rd General Assistant Commissioner of the Bangalore District.

I have the honor to remain

SIR,

I beg to submit herewith for the orders of Government, copy of docket No. 9 of the 31st July 1896 from the 1st Assistant Commissioner of this District recommending that the pay of the establishment of his office may be raised and made equal to that of the officials of the 2nd Assistant Commissioner's Office.

The 1st Assistant Commissioner

To
The Deputy Commissioner
Mysore District.

Dated 31st July 1896.

No. 9.

Has the honor to submit the following for the favorable consideration of the Deputy Commissioner.

The pay of the officials of this court is 40 Rupees (for Head Munshi), 30 Rs. (for Deputy Munshi), 25 Rs. (for 3rd Munshi) and 15 Rs. (for accountant) while the pay of the 2nd General Assistant Commissioner's court establishment is Rs. 50, 35, 25 and 25 respectively. Why there should be this difference while the same amount of work is done in both the courts, is troubling the officials of this court who the undersigned is glad to state have been giving him great satisfaction in the discharge of their duties.

Undersigned would therefore solicit the favor of the Deputy Commissioner kindly to move the Government to raise the pay of the officials of this court to the scale prevailing in the other court as this would considerably comfort the hearts of the undersigned's hard-working officials.
